

USDA REAP GRANT QUESTIONNAIRE

The USDA Rural Development REAP Grant Program provides a 25% of project cost grant up to \$250,000 for Energy Efficiency Projects and \$500,000 for Renewable Energy Projects. If you complete this questionnaire, we can do a cursory eligibility review and determine if it would be worth your time to complete a full application. Please note, we cannot guarantee approval or availability of funding based on the information provided in this document.
